

INDEPENDENT AUDITOR'S REPORT

To the Members of Governing Body of
Enable Health Society

Opinion

We have audited the accompanying financial statements of **Enable Health Society** ("the Society"), which comprise the Balance Sheet as at 31st March 2024, the Statement of Income and Expenditure for the year than ended March 31, 2024 and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Society as at March 31, 2024 and its deficit for the year than ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing ('SAs') issued by the Institute of Chartered Accountants of India ('ICAI'). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Society in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Entity's Governing Board are responsible for the preparation of these financial statements in accordance with the accounting principles generally accepted in India and for such internal control as management determines us necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Governing Board is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Governing Board either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

The Governing Board is responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objective is to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's Internal Financial Controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Governing Board.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast

significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) Planning the scope of our audit work and in evaluating the results of our work and (ii) To evaluate the effect of an identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Schedule 13

Significant Accounting Policies and Other notes forming part of the financial statements for the year ended 31st March, 2024

I. Organization Overview

Enable Health Society ("The Society") was registered under the Societies Registration Act, 1860 vide registration No. S -50111 dated 13.08.2004. The Society is registered under section 12A of the income Tax Act, 1961, and has renewed its registration vide Reg No. AAAAE3900CE20053 dated 23-09-2021. Further, the Society, with registration No. 231660908 dated 20.08.2008, has been registered under the Foreign Contribution (Regulation) Act, 2010.

The aims and objectives of the Society are to improve the health and well-being of people by building capacity of communities, promoting healthy practices, upholding gender equity, supporting locally adaptable technology, advocating for sound practices and policies, and inspiring people to assert their rights to better, healthier lives. Activities carried out by Enable Health Society are summarised as follows:

- Providing affordable, accessible, pure water for the communities to prevent water borne illness.
- Community awareness on benefits of drinking water
- Creating social entrepreneurs
- Promoting local advocates or change makers in raising awareness in the last mile communities about health outcomes of safe drinking water.
- Continual dialogue with rural and urban communities to adopt healthy behavior in drinking, storing and using water.

II. Significant Accounting Policies

(i) Basis of preparation of financial statements

The Balance Sheet and Income & Expenditure Statements are prepared under the historical cost convention and accounting is on accrual basis based on the Generally Accepted Accounting Policies (GAAP).

(ii) Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated.

(iii) Property, Plant and Equipment ('PPE')

PPE are stated at cost of acquisition less accumulated depreciation. The cost includes freight, duties, taxes and expenses incidental to the installation of the respective assets.

Depreciation on PPE is provided on the basis of Written Down Value method as provided under the Income Tax Act, 1961 at the rates mentioned below:

Particulars	Rates of Depreciation
Office Equipment	10 %
Furniture and fixtures	10 %
Computer Hardware	40 %
Mobile	15 %

Gains or losses arising from the retirement, transfer or disposal of PPE are determined as the difference

between the net disposal proceeds and the carrying amount of the asset and recognized as income or expense in the Income & Expenditure Statement.

(iv) Revenue Recognition

- a) Voluntary contributions include donations/grants received from donors and are recognized as income as and when received.
- b) Restricted grants are recognized based on fulfillment of conditions as stipulated in the agreement with the Donor. The unutilized grants are carried forward for use in future periods under the head "Grants received in advance".
- c) Interest income is recognized using the time-proportion method, based on underlying interest rates.

(v) Income tax

Under the provision of the Income Tax Act ('the Act'), 1961, the income of the society is exempt from tax, subject to the compliance of terms and conditions specified in the Act. The Society is registered under Section 80G and Section 12AA, for the period from 2022-23 to 2026-27.

(vi) Foreign exchange transactions

Transactions in foreign currency are recorded at the exchange rate prevailing on the date of transaction. Foreign currency assets and liabilities are restated at the rate prevailing as at the date of Balance Sheet. The difference between the year-end rate and exchange rate as at the date of transaction, if any is recognized as expense or income in the Income and Expenditure Account.

(vii) Provisions and Contingent liabilities

The provisions are recognized when, as a result of obligating events, there is a present obligation that probably requires an outflow of resources and reliable estimate can be made of the amount of obligation.

The contingent liability disclosure is made when, as a result of obligating events, there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. No provision or disclosure is made when, as a result of obligation events, there is a possible obligation or a present obligation where the likelihood of an outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the financial statements.

(viii) Defined Contribution Plan

Provident fund

All eligible employees receive benefit from provident fund, which is a defined contribution plan. Both the employee and the Society make monthly contribution to the fund, which is equal to a specified percentage of the covered employee's basic salary.

Other Employee Benefits

Compensated Absences

Compensated Absences is payable to eligible employees who have earned leaves during the employment and / or on superannuation as per the Organization's policy. The liability is accrued based on an actuarial valuation at the balance sheet date, carried out by an independent actuary.

III. Notes to Accounts

a) Payments to auditors are as below:
